*Shortly after we opened in 1908, a salesman entered the store selling hard candy and recipes. He took Angelo aside and told him he would sell him, and only him, a recipe for the perfect* ***Hot Fudge Sauce.*** *Angelo accepted the offer, and for 25 dollars he owned the recipe. Luigia was furious with him for spending so much money. Luckily for Angelo, the hot fudge was extremely popular, and we still use the same recipe today.*

## Lagomarcino's Confectionery

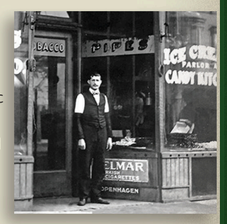

is a beloved family-owned business with a rich history dating back to 1908. Our story begins with **Angelo Lagomarcino**, who immigrated to the United States from Italy in 1896. He settled in Moline, Illinois, where he opened the first **Lagomarcino's Ice Cream Parlor and Confectionery.**

Our original shop quickly became a local favorite, known for its handmade chocolates, ice cream sodas, and welcoming atmosphere. **Angelo's children, Charlie, Mary and Tom,** joined the family business in the 1920s, helping to expand and modernize the shop while maintaining its traditional charm.

In 1997, we opened our second location in the Village of East Davenport, Iowa, which continues to operate to this day. We've carefully preserved the vintage décor and equipment in both locations, including the original soda fountain and Tiffany-style lamps, allowing visitors to step back in time and experience the nostalgia of an early 20th-century confectionery.

Over the years, **Lagomarcino's** has become known for our signature Hot Fudge Sauce, handmade candies, and classic ice cream treats. Our business has remained in the family for five generations, with each new generation committed to upholding the quality and traditions established by Angelo Lagomarcino over a century ago.

Today, **Lagomarcino's** continues to be a beloved destination in the Quad Cities area, attracting both locals and tourists who come to experience our unique blend of history, craftsmanship, and delicious confections. We have received numerous honors, including the prestigious **JAMES BEARD FOUNDATION *"America's Classics"* Award**, cementing our place as a true American culinary landmark, and **BEST ICE CREAM IN ILLINOIS** by **Food & Wine Magazine.**
